CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

Intern job duties vary by industry, but their common responsibilities include learning and becoming proficient in software, completing tasks assigned by their supervisor and attending meetings where they take minutes.

Working conditions are at the core of paid work and employment relationships. Generally speaking, working conditions cover a broad range of topics and issues, from working time (hours of work, rest periods, and work schedules) to remuneration, as well as the physical conditions and mental demands that exist in the workplace.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

✕ There are 5 types of work environments :

A work environment is the setting, social features and physical conditions in which you perform your job.

1. Physical Environment: This element is made up of the size, layout and location of a workplace, whether work is conducted indoors or outdoors the facilities offered in a workplace.
2. Company culture: This element refers to the way a company and its employees operate, including what effective communications look like how different levels of staff.
3. Working condition: This element includes the formal letters under which staff members are hired, such as the rate of pay, contract of employment and length of the workday.
4. Elements of a work environment: Some roles requires special equipment to do their job, and depending on the company the employer may or may not provide it.
